The armies of Europe used to rely on the omnibus companies as a means of supplying a sudden demand for horses, but this can no longer be reckoned on, as automobiles are rapidly supplanting horse-drawn stages.

England has twelve million cattle. Women are not admitted to the two Imperial universities in Japan.

Records show that monkeys were kept as pets as early as the year 1259 B. C.

## Victim of Grade Crossing.

SAMUEL C. ALLEN.

He was killed by a Big Four freight train Thursday at LaRue. Mr. Allen was one of the leading citizens of Bowling Green township.

Her Red Cross Seal.  
By Martha J. Ople.  
"Please give me a Red Cross Seal," she said.  
A dear little girl with a curly head.  
As she hurriedly laid her penny down  
And smiled away the impatient frown  
Of the clerk, who thought "sick folks  
should pay  
Their own expenses, anyway."  
She drew an envelop, soiled and torn  
From the depth of her pocket, ragged and worn.  
And carefully placing the seal thereon  
With a sad little smile, was quickly gone.  
Cut into the Christmas throng she flew;  
Nobody noticed, nobody knew  
The lone little creature, thin and cold  
With the pinched little face under  
half of gold.  
But she darted across the crowded street,  
Mid the roar of wheels and the horns' feet—  
A clatter—a cry of anguish at last—  
And the brave little form lay crushed and still.  
Tenderly back through the open door  
That she just had passed, the child they bore;  
And still in the hand was tightly pressed  
The letter, in childish scrawl addressed:  
"To Mamma, in Heaven," With gentle touch  
They loosened the fingers' lifeless clutch.  
Not the Seal alone marked the paper

red  
That this message bore to the loving dead:  
"Dear Mamma: I'm lonely since you are gone,  
It is hard, so hard, to be left alone!  
I could just the same as you used to do,  
And that makes me think, Oh! so often of you.  
They tell me that I may be made to live

By Red Cross Seals, so I'm going to give  
The penny you gave me before you died  
To buy one to send you this Christmas tide."
